ICPO Foundation Newsletter

December 2025 Edition

Dear ICPO Friends and Partners,

As we reflect on 2025, we're excited to share the incredible progress we've made together around the globe in scaling patient access to Theranostics!

Our network has expanded from 22 ICPO Theranostics Clinical Centers of Excellence (CoE) in July 2025 to over 50 today! During the EANM in October 2025, we hosted our 2nd ICPO Center Certification Ceremony, where we welcomed 24 new ICPO CoEs and 90 stakeholders from more than 7 regions.

After the ICPO Forum for Theranostics in Precision Oncology in May 2025 in Munich, we're thrilled to invite you to our upcoming **ICPO Theranostics Virtual Summit on November 12 & 13, 2026**. Our trio of Chairs, Prof. Richard P. Baum, Prof. Frederik L. Giesel, and Prof. Rudolf A. Werner, will engage with about 30 international experts, exposing you to cutting-edge scientific and clinical insights. Save the date or pre-register here: www.icpo.foundation/icpo-forum-summit/

You may also discover here some of our **latest news**, like Theranostics centers visits and **valuable collaborations** related to our ICPO Center network and the ICPO Academy for Theranostics **with the Brazilian Society of Nuclear Medicine and Molecular Imaging (SBMN) and with the Asia Oceania Federation of Nuclear Medicine and Biology (AOFNMB)**.

ICPO also continuously listens to the patient voices, including **with inspiring patient interviews such as with Gunnar Fantoft, a Danish prostate cancer patient** who gave us valuable insights into his patient journey at www.icpo.foundation/gunnar-fantoft.

Lastly, if you wish to express your appreciation and support the ICPO Foundation via a donation, please find below more information on the **opportunity to donate still in 2025** and contribute to shaping a new era of cancer care!

With best wishes,

Your
ICPO Foundation team

DONATION CAMPAIGN END 2025

Support the ICPO Foundation

Donate for expanding cancer patient access to Theranostics

Your contribution is crucial for advancing Theranostics. If you haven't donated in 2025, please consider supporting our mission. Every donation counts toward transforming cancer care for patients who need it most. All our ICPO activities aim to improve clinical outcomes and quality of life for patients living with cancer today!

Please donate here.

SAVE THE DATE: ICPO Theranostics Virtual Summit 2026

ICPO THERANOSTICS VIRTUAL SUMMIT 2026
NOVEMBER 12 & 13, 2026

World-class programme:
Strong on multidisciplinary exchanges and patient focus covering 3 themes:

- Rising stars in Theranostics: Beyond PSMA and FAP
- Growing space of Alphas: Outlook on untapped potential
- Clinical trials planning: Navigate from hurdles to outcomes

Pre-Register here:

CHAIRS

- Prof. Richard P. Baum
- Prof. Frederik L. Giesel
- Prof. Rudolf A. Werner

MODERATORS

- Odile Jaume CEO
- Susanne Simon Head of Communications

3rd ICPO Theranostics Virtual Summit 2026 on Nov 12 & 13, 2026

On behalf of the ICPO Foundation we warmly invite you to save the date for our **3rd ICPO Theranostics Virtual Summit 2026**, a two-day online congress to advance multidisciplinary dialogue and accelerate patient-centered innovation in Theranostics about 30 international experts from academia and industry. We are grateful for our three chairs, namely Prof. Richard P. Baum from Wiesbaden, Prof. Frederik L. Giesel from Duesseldorf, and Prof. Rudolf A. Werner from Munich, Germany, to moderate exciting panels and comment live on your questions. The world-class program features three core themes:

- **Rising Stars in Theranostics: Beyond PSMA and FAP**
- **The Growing Space of Alphas: Outlook on Untapped Potential**
- **Clinical Trials Planning: Navigating from Hurdles to Outcomes**

Stay tuned for updates and pre-register here.

ICPO CENTERS

2nd ICPO Center Certification Ceremony, Oct 2025

ICPO welcomed 24 new ICPO Clinical Theranostics Centers of Excellence to its network

On the occasion of the EANM conference in Barcelona, ICPO announced the cooperation with 24 additional Theranostics centers worldwide and handed over the official certification as ICPO Theranostics Clinical Centers of Excellence to the center leaders.

Watch the video here.

Visit of LMU Clinic in Munich, Sept. 2025

Odile Jaume and Karim Bouterfa visited Prof. Rudolf A. Werner, Director of Nuclear Medicine LMU

They exchanged on current facts and figures regarding Theranostics growth challenges and potential areas for collaboration along ICPO core activities, namely, continued Theranostics education, accreditation of Theranostics Centers, research support, and innovation awareness benefiting the ICPO Community.

More info

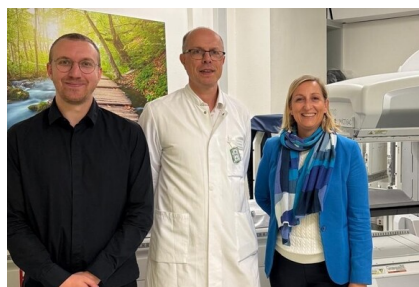

Visit of TUM Clinic in Munich, Sept. 2025

Dr. Marwa Hakkam and Juan Davila visited Prof. Matthias Eiber, Head of Theranostics at TUM Clinic

It was an excellent opportunity for the ICPO team to discuss the latest developments happening at the center, with a special focus on patient access for various indications and today's new treatment options and specificities behind these innovations.

More info

Visit of Clinic RWTH Aachen, Germany, July 2025

Odile Jaume met Prof. Felix Mottaghy, Head of Nuclear Medicine Dept. and President Elect of EANM.

After a tour of the Department, which is one of the leading theranostics centers in Germany, they exchanged on the current situation of theranostics centers accreditation as well as on the development of the ICPO Academy and new research grants towards young talents

More info

Collaboration with the SBMN, June 2025

ICPO and Brazilian Society of Nuclear Medicine and Molecular Imaging (SBMN) cooperate

ICPO signed a strategic partnership agreement with SBMB, extending their existing Memorandum of Understanding, with the goal to establish a sustainable framework for the accreditation and further development of ICPO Clinical Theranostics Centers of Excellence in Brazil.

More info

ICPO ACADEMY FOR THERANOSTICS

Endorsement for ICPO ACADEMY, June 25

AOFNMB endorsed the ICPO Academy for Theranostics to advance radiotheranostics in the Asia and Oceania region

Prof. Akram Al-Ibraheem, President of the Asia Oceania Federation of Nuclear Medicine and Biology (AOFNMB), and Odile Jaume, CEO ICPO Foundation, have officially signed the endorsement for the ICPO Academy for Theranostics at SNMMI in New Orleans. Members of the AOFNMB had the opportunity to apply for stipends.

More info

ICPO RESEARCH SUPPORT

ICPO AI Research Grant 2025

ICPO structured a research call for AI-driven advancements in Precision Oncology

ICPO published a call for applications in June 2025 to address and leverage AI-based enhancements of oncology care applied to Theranostics. 18 applications from 12 different countries were received and the winning recipient will be announced in the first quarter of 2026.

More info

ICPO IN DIALOGUE

ICPO at the Bavarian Parliament, Sept 2025

Odile Jaume and Susanne Simon met Kerstin Schreyer, member of the Bavarian Parliament

Kerstin Schreyer committed to support the ICPO Foundation in bringing the right stakeholders together – from science, medicine, industry, and also society – and create the conditions for meaningful collaborations in Bavaria.

More info

ICPO PATIENT INTERVIEW

ICPO Patient Interview, July 2025

Interview with prostate cancer patient Gunnar Fantoft from Denmark

He highlights the importance of early detection for prostate cancer. Despite having no symptoms, Gunnar was advised to undergo a prostate-specific antigen (PSA) test which revealed a very high value. A PET-CT scan confirmed his diagnosis of prostate cancer. He was successfully treated with Theranostics.

ICPO AT Conferences (selection)

AOCNMB in Chennai, India Dec 2025

ICPO participated in the 17th Asia Oceania Congress of Nuclear Medicine and Biology

Karim Bouterfa, Academy and Center Project Manager, delivered a presentation highlighting how education and center accreditation serve as key enablers in increasing global access to Theranostics.

More info

ICRT in Limassol, Cyprus, Nov 2025

ICPO participated in the 20th anniversary of the International Conference on Radiopharmaceutical Therapy (ICRT)

Odile Jaume (CEO) and Karim Bouterfa participated in the conference, organized by WARMTH, and intensified the strategic partnership entered in 2023 to promote international education standards in Theranostics and support the establishment and expansion of the ICPO Center network.

More info

EANM in Barcelona, Spain, Oct 2025

ICPO met its global ICPO Center network and built new partnerships

A heartfelt thank you to our ICPO Centers network, new center's candidates, valued scientific contributors and industry partners, and to the many international nuclear medicine societies and patient advocacy associations for over 50 inspiring meetings held during EANM 25!

More info

CBMN in Belo Horizonte, Brazil, Aug 2025

ICPO strengthen its partnership with the Brazilian Society of Nuclear Medicine

Dr. Marwa Hakkam, Accreditation and Centers Project Director, discussed the integration of Brazilian centers into the ICPO Centers Network, presented the ICPO accreditation process and discussed with industry partners the possibility of sponsored stipends for the ICPO Academy for Theranostics.

More info

WHERE YOU MEET US

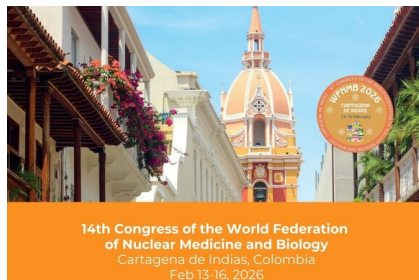

14th Congress of the World Federation of Nuclear Medicine and Biology
Cartagena de Indias, Colombia
Feb 13-16, 2026

UPCOMING: TWC in Cape Town, Jan 2026

Meet the ICPO Foundation team at the 8th Theranostics World Congress 2026

Starting with the 3rd ICPO Center Certification Ceremony and a patient session in cooperation with the Oncidium Foundation, on Jan 29, 2026, Odile Jaume, Karim Bouterfa and Susanne Simon will represent the ICPO Foundation at the TWC in South Africa.

You want to schedule a meeting? We are looking forward to talking to you in Cape Town – contact us: info@icpo.foundation

14th Congress of the World Federation of Nuclear Medicine and Biology
Cartagena de Indias, Colombia
Feb 13-16, 2026

UPCOMING: WFNMB in Cartagena, Feb 2026

ICPO will participate in the Congress of the World Federation of Nuclear Medicine and Biology

Dr. Marwa Hakkam and Juan Davila will attend the conference in Colombia presenting the advantages of the ICPO Center network to Theranostics centers in the Latam region and engaging with industry partners to fund stipends of the ICPO Academy for Theranostics in order to advance Theranostics skills in the region and in turn patient access.

More info

ICPO TEAM

New ICPO team member, Aug 2025

Juan Davila joined the ICPO Foundation as Partner Engagement & Fundraising Director

With strong experience in business relationship management, Juan brings strategic foresight and international expertise to drive the growth of the ICPO Foundation from its 5th anniversary onwards and to ensure its long-term non-profit sustainability.

More info

The mission of the ICPO Foundation

Cancer is one of the most significant health challenges of our time and the need for more effective treatments is pressing. Recognizing a paradigm shift in cancer care from one size fits all to a personalized approach, the ICPO Foundation's aim is to gain momentum for Radiotheranostics in

cancer care worldwide and scale global patient access to this innovative therapy. Radiomolecular Precision Oncology is a highly targeted therapy with low side effects, improved efficacy and patient outcomes.
